ABOUT MGIT

Mahatma Gandhi Institute of Technology is one of the premier institutions, sensitive to the changes and challenges in the field of technical education and has earned a place of repute in engineering education, both nationally and internationally. It offers courses at UG & PG level and has carved a niche for itself in inculcating value-based education.

Mahatma Gandhi Institute of Technology has state-of-the-art infrastructure and the best teaching fraternity. The erudite management is committed to setting world class standards of excellence in education. The Institution has received accreditation for six UG programs, three times from National Board of Accreditation New Delhi and is also accredited by NAAC with an 'A' grade. It has received MHRD's NIRF-2020 Ranking in the rank band: 201-250.

OBJECTIVES OF THE CONFERENCE

1. To familiarize the participants with the concepts and unique features of NEP 2020.
2. To emphasize the role and responsibility of women in the implementation of NEP.
3. To aim for holistic education and produce global citizens.
4. To re-live the meaning of education to face the challenges of the present day world.
5. To enable women to be enterprising and break the barriers and limitations for a better society.
